Uses:

Include a right side module for articles in the news about a product or service

For charts that appear on the page, include a rollover state (or a click-on state) that allows the user to see an expanded view of the chart.

Template Application:
All screens in Product Section

Module A - Header:
Required module

Module B - Main Navigation:
Required module; contains 2 levels of nav

Module C - Breadcrumb Trail:
Required module

Module D - Page Title:
Required module

Module M-A - Main Content
Required module

Module Z - Footer
Required module

Module Series R - Right Side Modules:
Some modules are required for this template while others are optional. For an optional module to appear it must contain at least 1 link.

Module R-A - Email | Bookmark | Print:
Required module; can be replaced with R-A Variant: Print | Bookmark; appears first

Module R-B - Online Chat:
Required Module; appears second

Module R-C - Other Materials:
Required module; appears third

Module R-D - Support and Services Offering:
Optional module

Module R-E - Customers:
Optional module;

Module R-F - Customer Quote:
Optional module

Module R-G - Partners:
Optional module

Module R-P Navigation:
Optional module
